Thanks Mike.

I'll need more time to digest the table, but the bulleted approach to the letter makes it super clear!
I left a message with Oxitec today but have not heard back yet.

Regards,
Nancy

Nancy,

The revised letter and CBI appendix are attached. Thanks for your patience. I will send the letter to Kaitlin unencrypted. I received a message that her certificate for encrypted files was not up to date.

Hi All,

Hope you are enjoying the snow day. Just wanted to follow up from the briefing yesterday. If you haven't already, can you please send Nancy the table to accompany the letter for Oxitec?

Thanks,
Kaitlin

Kaitlin,

We didn't see the ppt attached to the briefing and wanted to make sure Nancy has a copy so I've attached it. Please forward as necessary to additional attendees.

Thanks.
